

NEW MEMBERSHIP APPLICATION

The President and Committee welcome you to the North Shore Beekeepers Association.

The aims of the Association are to encourage and develop the art and science of bee keeping through group meetings, field day events and educational support programs in which members can participate and contribute.

We hold bi-monthly general meetings in the evenings where guest speakers and demonstrations are presented in a convivial atmosphere, and you are invited to ask questions and generally, join in over supper and chat about your successes and experiences.

Our field days are held monthly at the Bee Garden, located at 1c Myoora Rd., Terrey Hills (within the perimeter of the Terrey Hills Par 3 Golf Course). Here we have experienced bee keepers giving hands on demonstrations on many aspects of hive management, honey extraction, hive building and much more, and you can get to see the many different types of hives that are used by bee keepers and honey producers.

The field day is always supported by hard working members who produce a BBQ lunch with cold refreshments, tea and coffee.

There is also a quarterly electronic News Letter distributed, full of club and bee news.

You also have a hard working committee behind the scenes who hold separate meetings and are responsible for the club's management and finances, all in the members interests.

The NSBKA is an Incorporated Association registered under the NSW Association Incorporation Act 2009 and holds an Annual General Meeting each year in April where positions on committee are nominated and elected.

As a financial member you are invited to participate, nominate and vote.

I / We would like to become member/s of the NSBKA: (NOTE Family membership requires at least 2 names)

Surname _____ **First name** _____
